INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A telephone interview was conducted on 12/23/09 between Examiner Hornberger and David Hauser. Claim 34 was discussed during the interview.

Examiner Hornberger noted that the combination of limitations recited in claim 34 was not adequately described in the specification. David Hauser commented that, although the precise combination of limitations was not shown in any of the exemplary embodiments, each of the limitations was described in the specification in a manner such that the combination would have been clear to a person of skill in the art. However, in order to put the remaining claims in condition for allowance, David Hauser agreed to cancel claim 34.

David Hauser appreciates the time and courtesy extended by Examiner Hornberger during the telephone interview.

Date: January 27, 2010
